PRESTIGE on TODAY!

Prestige Custom Golf Cars on the TODAY SHOW!

Congratulations to Prestige Custom Golf Cars, out of Branson West, MO. Prestige was recently featured on the April 24 broadcast of the Today Show. The Today Show was in Branson, MO for the Great American Pie Show, where Al Roker was a judge. Other celebrities at the event included Andy Williams and Mickey Gilley. While touring the Branson Landing, a famous shopping and tourist center, Al Roker and the Today Show crew were chauffeured in ACG's very own California Roadster and Hummer H3. Prestige's Judy Hayes was "excited" with the national exposure the Today Show brings to ACG cars.

The Today Show's Al Roker with Prestige Custom Golf Cars' Rick Hayes cruising the streets of Branson in a California Roadster.

In other new out of Branson, Prestige Custom Golf Cars will have their very own fixture at the Branson Auto Museum. Keep up the great work Prestige!

UNIQUE in the news...The New York Daily News!

New York based Unique Golf Cars was a huge hit at the New York International Auto Show. So much so that it took notice of New York Daily News writer Barry Paddock. Paddock noted in the April 17 print that the California Roadster, Hummer H3, and Cadillac Escalade at Unique's booth were a huge hit with children and adults alike. One visitor noted the cars were almost "too attractive." That's one criticism that ACG will accept gladly.

Puddle Blocker 3

Smart Kii 4

39 in White 5

Check out the New 39 in WHITE!

Looks just as good with the doors off!

Smart Kii

Smart Kii, made by FleetTAG Technologies, is a security and safety system that can be easily installed into a variety of vehicles. The system has two parts: a receiver and wireless SmartKii. The vehicle/machine is programmed to function only when the SmartKii is within range of the receiver.

More information to come.

*Smart Kii
“Sleep easy knowing that your machines will operate only when you authorize it.”*

ACG to soon offer the Puddle Blocker to all dealers and distributors.

ACG will soon be offering the PUDDLE BLOCKER, fluid retention mat to our dealers and distributors.

The PUDDLE BLOCKER is a mat for use at home or in the shop that soaks up oils and other fluids to prevent them from staining the floor. Great for all kinds of vehicles and equipment, perfect for golf carts! Standard sizes come in 5'x8.5' and 5'x11'.

It's a great and practical addition to any

home or shop and gives all our dealers and distributors the opportunity to add a little extra to every sale.

ACG will update all our dealers and distributors on pricing and availability soon.

PUDDLE BLOCKER

Made in the USA.

Puddle Blocker. Perfect for at home or use in the shop.
